Webinar ID: 938 2964 1492

Passcode: 077533

International numbers available: <https://zoom.us/u/aBuUUXPPI>

Public input to the Task Force may be submitted in writing online at:

<http://hanstf.org/index.php/public-meetings/>

Comments may be made at any time before the meetings and through December 1, 2020. Community members may also register to provide public comments at the meeting(s) by signing up here:

<http://hanstf.org/index.php/public-meetings/>

Public comments will be limited to two minutes per person in an effort to hear from as many community members attendees as possible. Additional opportunities to provide virtual, in-person, and written opportunities will be made available. The purpose of the meetings is for Task Force members to receive initial comments from community members which will be addressed through the ongoing/renewed efforts of the Task Force. This Task Force was formed to address safety and noise issues related to rotor and fixed-wing aerial tours in the state of Hawaii.

Community involvement and public outreach will utilize hosted zoom meetings in a manner that comports to current COVID19 constraints. Subsequent Task force recommendations to industry, regulators and other interested stakeholders will be available via (<http://hanstf.org/>) to provide periodic updates for review by interested parties.

For more information about the Hawaii Air Noise and Safety Task Force, go to: <http://hanstf.org/>

**Page Two**
