## Thank You!

Dear John Carse,

Aloha and thank you for filing your noise complaint with the Hawaii Helicopter Association.

Along with the below information, your submitted details have been logged into our noise complaint management system database and will be reviewed, analyzed, mapped and reported to HHA operators and pilots.

This data will also be used to work collaboratively with communities throughout the State of Hawaii to perpetuate the enjoyment of its residents and share the beauty with our visitors.

*Dear Mr. Chevalier,*

*At 1:37 p.m. on Thanksgiving Day a Blue Hawaiian Helicopters' Eurocopter flew directly over the village of Kaimu in Lower Puna at barely a thousand feet. This is absolutely unacceptable.*

*Sincerely,  
John Carse*

*Dear Mr. Carse,  
Take your complaints and shove them up your ass!  
Yours truly,  
David Chevalier, Founder*
